June 9 **EUFEPS Virtual Annual meeting 2021 – Bridging the gap between the patient and product design**

(all lectures are live in CEST)

Room A	
09:00-09:10	**Award Ceremony** Prof. Dr. Dieter Steinhilber, Goethe University, Germany/ President EUFEPS

	Model-based drug development and treatment optimization for tuberculosis Chairs: Coen van Hasselt, Leiden University, NL and Rob van Wijk, Leiden University, NL
09:15	Mechanistic translational PKPD modelling to support tuberculosis drug development *Ulrika Simonsson,* Uppsala University, Sweden
09:40	Zebrafish as a translational model for PK/PD of anti-TB drugs *Rob van Wijk*, Leiden University, NL

09:55	**Coffee Break**

	Frontiers in Drug Discovery Chair: Dieter Steinhilber, Goethe University, Germany and Michael Sundström, Karolinska Institutet, Sweden
10:10	The SGC Target Discovery Public-Private Partnership: Status and Plans for 2020-25 *Michael Sundström,* CMM, Karolinska Institutet, Sweden
10:35	Platformization – A High Throughput Protein Engineering Platform for the Development of Multispecific Protein Therapeutics *Thorsten Schmidt*, Sanofi, Germany
11:05	Glutathione peroxidases 1 and 2 as promising targets in anti-inflammatory therapy *Solveigh Koeberle*, University of Innsbruck, Austria

11:20	**Lunch and visit to Exhibition Hall on platform**

	Selecting the right animal model in medicines development Chair: Ivo Schmerold, University of Veterinary Medicine, Austria
1230	Large animal infra center – collaboration between veterinary and human medicine *Henrik Rönnberg*, Swedish University of Agricultural Sciences, Sweden

1255-13:20	Reverse Translational Pharmacology: Paradigm Shift or Flash in the Pan? *Jonathan Mochel,* Iowa State University College of Veterinary Medicine, USA
13:25-13:40	**EUFEPS Annual Meeting Leiden 2022 and Closing remarks** Prof. Dr. Anke-Hilse Maitland-van der Zee and Prof. Dr. Dieter Steinhilber, President EUFEPS

Each lecture will include 5 min (short lecture 2 min) Q&A where questions are posted by chat and questions raised verbally by chair.
